"with no injured party, a complaint is invalid on it's face.

"Gibson v. Boyle, 139Ariz512

I am a flesh and blood human being, a member of the human race, The Moorish Nation (**AA222141**) ad the International Community. I am not a 14th amendment or 15th amendment fictitious person, corporate person or legal fiction, neither am I colored, black or any other 'nom de guere'.

As I stated above I am a natural flesh and blood human being, In proper person.

The UNITED STATES OF AMERICA is a corporation and can not appear for testimony or be cross examined. Furthermore a corporation cannot be an injured party.

"For a crime to exist there must be an injured party. There can be no sanction or penalty imposed on one because of this constitutional right."

Sherer v. Cullen 481 F. 945:

Clearly, there is no injured party in this matter.

"As a general principal, standing to invoke the judicial process an actual justiciable controversy as to which the complainant has a real interest in the ultimate adjudication because he or she has either suffered or is about to suffer an injury."

People v. Superior Court, 126 Cal Rptr. 2d 793

Based on the Supreme Law of the Land, the referenced 'stare decisis' case law and the aforementioned indisputable facts, with all due respect, a dismissal of this case is warranted and demanded.
